Message:

Erin,

Thank you for correcting the transfer mistake. All three accounts now have the proper amounts transferred. However, it appears that the funds transferred to an erroneous account (by mistake) did not benefit from investments. Is this correct? If so, can this be corrected? Please refer to my previous fax for the account numbers and details or call me at (508)758-9297.

Thank you very much,

Steven J. Andelman
